

Congratulations to Ms. Cynthia Blackwell of Pittsburgh Gifted Center, Mr. Terrance Callahan of Brashear High School, Ms. Elizabeth Huffman of Carrick High School, Ms. Valerie Westcott of CAPA High School, and the Pittsburgh Public School students for their outstanding contribution and involvement with the community event, the "13th Annual Empty Bowls Dinner," that was held on Sunday, March 9, 2008, at the Rodef Shalom Synagogue in Shadyside.

The "Empty Bowls Dinner" was a simple meal of bread and soup to raise funds and awareness to end hunger in our community. This event is a benefit for Just Harvest and the Greater Pittsburgh Community Food Bank.

Ms. Blackwell's 7th and 8th grade art students were responsible for creating and making 220 ceramic bowls. This work was done in class, during lunchtime, and in six three-hour Saturday workshops.

Congratulations, again, on a job well done!!
